

ADVENTURE ON YOUR AGENDA

The Amazing Race

Turn the stunning Geelong Waterfront into your team's ultimate playground as delegates race against the clock to complete a series of interactive challenges, solve clues, uncover local landmarks and outsmart their rivals. Armed with only a smartphone, teamwork and a healthy competitive spirit, teams navigate the course at their own pace, tackling creative photo and video challenges, location-based riddles and surprise team games that keep everyone engaged from start to finish.

Designed to build genuine connections while delivering plenty of laughs, the Amazing Race encourages communication, collaboration, leadership and problem-solving in a relaxed outdoor environment. With bonus points, strategic sabotage opportunities and a thrilling finale to crown the winning team, it's the perfect conference breakout activity to energise delegates, create lasting memories and bring teams together long after the conference ends.
